

The State of Illinois examinations for licensure for the Private Sewage Disposal Installation and Pumping Licenses will be offered on January 29, 2019 at the Onsite Wastewater Professionals of Illinois annual conference. All applications must be in Springfield at least 30 days before the date of examination. To take the exam you must submit your application to the Illinois Department of Public Health by December 29, 2018. NO EXCEPTIONS

- Only one examination may be taken by an applicant on any specific examination date. Applicants will be given 3 hours for taking the Installation exam and 2 hours for the Pumping examination.
- Photograph of applicant must be attached to each application for examination. Current, clear, and color photo (think “passport photo”). No hats, dark glasses, or old driver’s license photographs will be accepted.
- Be sure to provide an e-mail address where the Letter of Attendance and all study materials can be sent.
- All study material(s) and the letter of admission are sent electronically after the application has been received in this Office.
- The Department has gone digital. “Hard Copies” of codes and study materials are no longer being printed. It will be sent electronically along with your letter of admission.
- Be sure to check the appropriate box regarding child support, sign and date your application. Only applicant’s Signature is accepted.
- Applicants will not allowed to bring any material into the examination other than pencils and a non-programmable calculator. All other necessary information to take the examination will be included in the examination booklet.
- Incomplete applications will be returned which may cause a delay in processing your application.
